Fixing The Jew Menace

THE PROBLEM WITH AMERICA is that JEWS run it...beginning with the Fed, Capitol Hill, the White House, the Courts, the Media, and our Schools.

Thus, in order to *fix* America a *solution* to the Jewish infestation of every facet of the US infrastructure has to be *framed* and *applied*.

Framing and applying three components of the solution to the Jewish menace will solve America's problems once and for all.

AT THE TOP of the food chain is the Jewish-owned Federal Reserve Bank.

Jews have been given the power to create money via simple book entries.

Jews like Yellen, Fischer, Greenspan, (still has power), have complete immunity to loan

their created money wherever and to whomever they wish to FURTHER Jewish interests.

SOLUTION: Restore the Constitutional mandate that gives the US government the power to create its own money *sans* paying interest to money-controlling Jews.

NEXT IN THE FOOD CHAIN are the Jewish Lobbies.

Jewish Lobbies like AIPAC and the ADL fund political campaigns, working closely with the Jew-owned media, to promote, ignore, or smear candidates depending on their degree of loyalty to Jew interests.

SOLUTION: Require AIPAC to register as a foreign agent.

Jews with dual-citizenship, like many in AIPAC, must choose one or the other.

If they remain Israeli citizens they must not be allowed 'constitutionally' to hold office nor be allowed to vote.

Jews who choose US citizenship must sign a loyalty oath based on the Immigration and Nationality Act of 1953 which requires "renunciation" of allegiance to a foreign country.

With this in place, AIPAC could no longer draft Israel-First legislation for all their 'bought' hacks to pass.

THE SEED CHANGE that will break the Jewish food chain is a Christian revival.

Only a return to the historical Church—through which Jews are looked upon as Enemies of

Dear Real Jew News Family,

Jews are America's misfortune.

For owing to their control of every facet of US infractructure they have RUINED our nation politically, culturally, and religiously.

Jews MUST be PUT OUT OF POWER.

My 3 final solutions as outlined in the Article above are the means to rid America of its Jewish menace.

Dear Reader, Hello Family,

Someone recently commented on a previous posting:

"When I watch your Videos my spirit shines ever brightly and I thank God for you. I can see that where you live is filled with beauty as much as there is beauty within you."

Please know that I am about to be tossed out into the street. Thus, the "beauty of where I live" as seen in my Videos will be no more.

Is there anyone who can help me (in any way) to *remain* in the "beauty of where I live?"

Is there a generous person who can help me (in any way, shape, or form), live in peace with my own roof over my head?

If so, I will be very grateful.

It is about time to start a magazine exposing the JEWS in cartoons... "Holocaust Cartoon Magazine", "Hollotoone", or something like that.

It's Ok to mock other peoples religions like Mohammad, Jesus and so on—but not Judaism, Holocaust, etc. Double standard!

Yesterday was arrested in Paris, humorist Dieudonné M'bala... just because he stated that he feels like Charlie Coulibaly.

This astonishing piece is from Thailand, and I’m introducing it because I think the Jews see here an opening to mind numb the Thai people, to later augment it by starting to Holocaust indoctrinate the kids in their secondary school years.

I can’t help but include the whole article from prachatai.com for the reason that the spokesperson of Thailand’s Constitution Draft Committee is declining to define hate speech, so we’ll have to decide later if what is occurring is indeed Jewish chutzpah on seeing an opportunity during this interregnum.

THAI CHARTER TO INCLUDE REGULATIONS ON HATE SPEECH

Submitted by editor1 on Wed, 14/01/2015 - 17:43

Thai constitutional drafters, under the military regime, is including regulations on ‘hate speech’ in the new constitutional draft for the first time in Thai law.

Kamnoon Sidhisaman, the spokesperson of the Constitution Drafting Committee (CDC), announced the results of the CDC meeting on freedom of expression that on top of mentioning vaguely that freedom of expression is guaranteed with the limitations of respect towards the rights of others, the committee has included ‘hate speech’ into the new draft constitution.

Kamnoon said the inclusion of hate speech and acts of instigating hatred is written for the first time on Article 14 of the draft charter. The Article does not mention about the liability of criminal offences punishable by law or not and that it is up to relevant parties to consider this further.

He did not explain how hate speech is defined in the draft.

Section 45 of the 2007 Constitution, torn up by the current junta government, also place limitations on the rights to freedom of expression as following:

“The restriction on liberty under paragraph one shall not be imposed except by virtue of the law specifically enacted for the purpose of maintaining the security of state, protecting the rights, liberties, dignity, reputation, family or privacy rights of others, maintaining public order or good morals or preventing or halting the deterioration of the mind or health of the public.” stated the 2007 Constitution.

This has opened up new trains of thought.

It has been obvious that the Western churches have followed an unscriptural view in relation to Israel and the Jews.

This is no surprise. Seminaries and Schools of Theology, Church History through infiltration of Judaism, neglected to portray Christian attitude towards Jews for the first millennium at least.

Jesus and Paul in particular, indicated they were ‘the enemies’.

Modern Christians hear the cries, ‘We Jews have been persecuted in a multitude of countries and expelled. We were isolated and progroms organized against us. Hitler and Germany persecuted us, reviled us and gassed 6,000,000 of us’.

They present to the churchd Goyim tales of such woe and persecution that it stirs their compassion.

Any perception as to why they were turned out of so many countries is not allowed to penetrate through the mists of preconceived misconceptions.

Arthur Koestler who authored ‘The Thirteenth Tribe’, has inferred that Jews were given high positions in Islamic countries around Arabia that fell to conquest.

However, according to all of the historical records that are revealed on your links, Eastern and Roman Church History, a new focus presents itself.

Present day American Church End Time beliefs regarding Israel and the Jews, embedded in

their doctrines, present cause for a rout.

The enemies of Christ can never be 'the people of God' to be idolized.

If revival is to be experienced, first of all the fanatical grip by the rather ridiculous assimilation of non-Biblical beliefs must be demolished.

All need to hear God speaking: 'God, who at sundry times and in divers manners spoke in times past by the prophets hath in these last days spoken to us (in) by His Son', KJV Hebrews 1:1.

What He says is ignored. There is a compliant spirit to Judaism that wilfully wants to listen to the prophets.

Jesus said of the Jews that they killed the prophets and built tombs to them. Christians did not kill them but erect the tombs.

Did Jesus Christ ever say He was coming down to earth again to live here? Was there an impression in the Early Church of the Apostles and in the Gentile Churches for at least a hundred years that there would be a millennium? History reveals otherwise.

On reading the writings of various theologians to which Brother Nathanael has led us, it is obvious the Book of Revelation has been fulfilled from one major premise disclosed therein, that in relation to chapter 3 verse 9 hereunder.

American Churches in particular, ardently preach the opposite.

In AD70 the wrath of Jesus Christ struck. He sat on the right hand of God, as prophesied in Daniel 7. Their 'house was left unto them desolate'.

The Book of Revelation in Apocalyptic form gives an intimation of that desolation's result. Babylon, the harlot, fell.

Jesus in His message to the seven churches, said that He would cause the Jews who are not Jews, the Synagogue of Satan, to 'come and express adoration at your feet and to know that I have loved you'.

The fulfilment has been shown to us by Brother Nathanael's historical references.

This meant Jews must follow the ways of those Gentiles and not those Gentiles the ways of Jews, Judaism, Israel, Netanyahu, Rothschild, Illuminati.

Such occurred for at least one thousand years and more, in the Orthodox and Roman

Churches, that did have godly people and godly theologians somewhere.

If not, how was there a Protestant Reformation?

Despite the grave errors ensuing from its beginning to this day, God was acting in mercy.

We need to recognize that from the first chapters of the Bible until now and until the Resurrection Day, there was, is and will be two lines in churches.

There is the Line of Seth, Noah, Abraham, Jacob, and David that finds its natural completion in Jesus, Son of David and also Son of God.

Here is the Seed of the woman, Jesus Christ, whose seed are the true believers in Him as Lord, Savior, Christ and God.

They have existed among churches from the times of the Apostles.

Those lines has never been extinguished and will not be until God's purposes eventuate in His promise of a new heavens and a new earth.

In opposition all the time through the descendants of Adam and Eve, the evil seed of Satan continually bares its fangs of demonic rebellion against God in total hatred of Him, the Eternal and Holy One.

The Revelation of Jesus Christ discloses that Satan began his enmity against the Seed of the woman, Jesus Christ, at His birth. He pursued the woman, a picture of the holy seed today known as the Church of Jesus Christ, the true Zion, from whom was born the Savior.

Satan failed so he began then to attack the seed of Christ.

Always, the two lines live side by side at every turn.

The Church is at the gates of Hell that Jesus said would not prevail against her.

As there are Revisionist Historians whose truth is revealed as being contrary to the current education of history about Hitler, Germany, the Holocaust and the Jews, so there must arise theologians and ways for promulgation of truth in relation to New Testament doctrine.

Does there exist a means of attracting them to this site?

January 15, 2015 @ 3:35 am

I read your articles and view your videos regularly.

You are Correct on every issue. I believe it is through Divine Inspiration that you bring your warnings regarding the Global Jewish Menace.

America, is not the same Country now as it was when I was growing up. I no longer could stomach what was going on daily in America. With the Nation in perpetual warfare, bankrupt, and becoming an overseas colony of Israel, I packed up and left.

Yep, I am an ex-pat living in Asia and loving it. I realized that the USA is Financially, Spiritually and Morally Bankrupt and I could not do anything about it but leave the chaos behind me.

I am on a fixed monthly income, so I cannot afford to send you any financial support but I keep you in my daily prayers for you to remain safe and keep doing God's Work.

Renunciation of previous foreign allegiance is key.

We have so many immigrants in this country who do not care about our founding. People think this country is malleable to their interests.

We are a very weak country in comparison to Russia. At least Putin is a nationalist. He works for the interests of his country and the Russian People.

Our country is run by infiltrators. I'm tired of it. Everything that makes America unique and attractive, they are destroying and exploiting gross culture.

We are one of the most hated people in the world. And most Americans have no ill will towards anyone, they're too busy living their own lives. We work hard and strive to be honest. There are still great people in this country.

I'm tired of being poorly represented by evil Jews while they pose as the victims.

Beginning at the top with replacing the dual Israeli citizenship and Zionistas is the ultimate goal as outlined here.

However, how many of us have a Jewish mayor or Jewish state representative? When voting for local offices, take a good look into the background of those running for office.

It is very likely you (as well as myself) have unwittingly voted for a Jewish candidate without knowing they are Israel-friendly or Jewish. Keep in mind that the Agenda 21 people are working to implement A21 at the local levels hoping it will percolate up to the state government and into the federal government.

It is nearly impossible to elect a congressional rep or senator who is not affiliated or

associated with AIPAC or some other Israeli/Jewish lobby. It is okay to vote for a third or fourth party candidate of whom you know not to be Israel friendly nor supportive of any Jewish interests.

Crushing the head of the snake here is worth the effort, but scraping the belly off of the serpent at the local level will weaken the whole organism to where the head can no longer function.

My advise is to work at the local level but keep aiming for the top! Once we have undone the Jewish efforts at the municipal and county level, we can undo the Jew at the state and federal levels. The trickle down Zionism being rained upon us can be insulated against.

If you attend a pro-zionism place of worship, find another place or hold to worshipping from your own home. Starve the pulpit where necessary.

And contribute to Brother Nathanael's efforts, no one else is firing up the skyline like he is!!!

The single most important aspect is the "False Prophet" mainstream media.

The fact is that there is still a majority who prefer the herd mentality of the false narratives over the truth.

The choice: do you want to be "happy" or do you want the Truth? I made the conscious decision about 40 years ago.

My personal happiness is insignificant. I know the vast difference between happiness and joy.

Happiness is a product of the ego and joy comes from God.

I share your observations and beliefs regarding our once-great country, and I too would like to leave the chaos behind.

The writing is on the wall for everyone to see, provided he or she makes the effort to look up from their iphone.

I am powerless to effect the changes needed to restore our republic, which Brother Nathanael brilliantly and succinctly stated above, so I am looking for the exits.

Can you please tell me what part of Asia you relocated to, and is such place receptive to expats like yourself?

Thank you in advance.

The world bank system is run by a clan of Jewish families.

It's fraudulent global pyramid system, based on loan debts and fiat money turned into real money via the hard labour by the gentiles/goys.

Nations are trillions deep in fictious debts, and everyone is forced to work hard and stay poor in order to pay off debts, a slave existence.

The federal reserve is just 1 bank run by Jews.

Sooner or later we all have to conclude we can not trust the Jewish tribe with running banks and printing money.

It will be the downfall of mankind if we do not take back from the Jews the control over the financial system and any other monopoly run by Jews.

I'm so sick of the Jewish whine this and Jewish whine that.

Suck it up Judaics. Get in line like everyone else. No more world-wide "specialness or chosenness," period!

Don't you wish it were that simple!!

(even when speaking the undeniable truth)

Poor Tim Willcox, now terrorised for doing a professional job at the Paris anti-terror march.

In a live TV report the BBC's Willcox was interviewing people in the crowd and talking to a Jewish woman about her fears of persecution. She said: "The situation is going back to the days of the 1930s in Europe."

Willcox replied: "Many critics, though, of Israel's policy would suggest that the Palestinians suffer hugely at Jewish hands as well."

She countered: "We can't do an amalgam."

Willcox said: "You understand everything is seen from different perspectives."

The reporter's remarks were widely criticised by viewers, with some calling for his resignation.

According to the Express, historian Simon Schama accused Willcox of "appalling hectoring" before tweeting: "Then he had gall to patronise her at the end – 'you see people see it from all sides'. That Palestinian plight justifies anti-semitic murder?"

Uh?

Anyway, poor Tim has had to apologise. Why? Did he say something untruthful? Was it indecent?

BBC Watch commented, without explaining the conversational context, by quoting from the EUMC Working Definition of Antisemitism: "Holding Jews collectively responsible for actions of the state of Israel" and implying that this was what Willcox had done.

But Willcox was talking about the Israeli regime's policy, right? Not the collective responsibility of Jews worldwide.

BBC Watch is linked to CiF Watch, which is "dedicated to monitoring antisemitism and combating the assault on Israel's legitimacy". And to CAMERA. All three have the same two editors.

Hadar Sela is Managing Editor. She "has lived in Israel for over three decades... and has written pre-emptive reports on several anti-Israel campaigns, including the flotillas and the Global March to Jerusalem in March 2012".

Funny, I thought the flotillas were bringing humanitarian aid to the desperate civilians cruelly imprisoned, blockaded and bombarded in the tiny enclave of Gaza. How is that deemed to be anti-Israel unless you're a paranoid Zionist or one of the mindless criminal thugs imposing the blockade?

The other is Adam Levick, also Managing Editor of CiF Watch. He "made aliyah" in 2009. Aliya is moving your home to Israel. Since when did we or our national broadcaster take orders from a couple of Israelis?

The Board of Deputies of British Jews, the self-styled "voice of British Jewry," can usually be relied on to jump in on these occasions, and they obliged. Quoting the same antisemitism definition they go on to say:

"Not only was this remark irrelevant – after all the target of Friday's attack were not Israeli but French Jews – it also conflates Middle Eastern politics with the murder of innocent French Jews, and implies that there was some kind of justification for the attack.

"This was bad, biased reporting and an attempt to misrepresent the events of Friday afternoon... Please take the opportunity to complain about Tim Willcox. You can use the the BBC's complaints procedure..."

This is so confusing. Israel demands to be recognised as the Jewish State and has just passed laws to that effect. It claims to speak and act for Jews worldwide. Inevitably Israel's behaviour influences how Jews are regarded locally.

Tim Willcox will remember what happened to another good BBC man, Jeremy Bowen, who was put through the mangle a few years ago by the Zionist mafia, and his caved-in bosses, for honest reporting Middle East Editor – Jeremy Bowen. No doubt they have tried to "re-educate" and re-program him.

A kindly member of our group sent Tim a word of encouragement:

"Thank you very much for saying publicly that Palestinians also suffer at the hands of Jews. I am sorry you have had to apologise; in my view those who need to apologise are those who do NOT say this at every opportunity."

I added:

"I second Elizabeth's remarks. Truth doesn't count for much at the BBC any more, sadly."

Came the reply:

"It's been quite a heavy few days.

Thank you for your support.

Best wishes,

Tim"

If you wish to tell the BBC what you think, here is the link.

"Playing fast and loose with the language of the Holocaust"

All this is reminiscent of the flurry of outbursts early last year.

The head of the Holocaust Educational Trust, Karen Pollock, succeeded in wringing an apology from a British MP for remarks in a parliamentary debate about what happened to Jews in Nazi-occupied Europe and what is happening now to Palestinians in Israeli-occupied Gaza and the West Bank.

Yasmin Qureshi, MP for Bolton South East, told the House that the suffering in Gaza was intolerable.

"The state of Israel was founded because of what happened to the millions and millions of Jews who suffered genocide. Their properties, homes and land — everything — were taken away, and they were deprived of rights. Of course, many millions perished.

"It is quite strange that some of the people who are running the state of Israel seem to be quite complacent and happy to allow the same to happen in Gaza.

"The issue is not just about Gaza; let us think about the West Bank and Jerusalem as well. Many Palestinians are being turfed out of their homes in Jerusalem.

"The Israelis are the occupying power in the West Bank, where they have got rid of Palestinian homes and replaced them with hundreds of thousands of settlements, recognised by the United Nations as illegal....

The policy pursued by the state of Israel is not helping to lead to a two-state solution... Let us face it: if what is happening to Gaza, done by Israel, were happening to any other nation, the whole world would be up in arms, and rightly so."

From Hansard:

<http://www.publications.parliament.uk/pa/cm201314/cmhansrd/cm140205/halltext/140205h0002.htm>

Fair comment? Or something to apologise for?

As reported in The Guardian, Ms Pollock accused the MP of making "offensive and inappropriate comparisons" about the Middle East. "We expect our politicians to speak responsibly and sensitively about the past and about events today.

"These lazy and deliberate distortions have no place in British politics... It is astonishing to think that anyone could visit Auschwitz-Birkenau, learn about the industrial nature of the Nazis' murderous regime, even walk through a gas chamber – and then make these offensive and inappropriate comparisons."

Sounds simple and logical!

Now America, let's do it. How do we implement these solutions?

Revelation 2:8 And unto the angel of the church in Smyrna write; These things saith the first and the last, which was dead, and is alive;

9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

Right here is he saying Christians have replaced Jews? After all he is addressing the CHURCH of Smyrna! Bush is an example 'Skull and Bones' member who says outwardly that he is Christian but can't be! 'By deception wage war.'

Matthew 23:39 "For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord." In the Spirit of Sid Roth and Mark Biltz Who are 'missionaries' to Israel, Amen.

I have always had a suspicion of John Hagee, I even think he stole the revelation of the Blood Moons from Mark Biltz for his book.

I have searched for the passage that I know exists concerning the end times, in Hebrew apparently there are 2 words that express the end times and the VERY end times just before Jesus' return.

Also I know there is a passage similar to 'come and express adoration at your feet and to know that I have loved you' where the Christian will curiously seek out the Jew to teach him about his customs ie the prayer shawl he wears...the festivals and what they mean...

BESIDES ALL OF THAT, Right NOW the problem is EVERYONES and I don't doubt that I could be targeted for a FEMA camp and a 'disposable coffin'. But if I use the word JEWS it sounds so hateful.

In High School my very best friend was Jewish Valerie Baum, I've totally lost track of her. In college I roomed with a friend Yvonne Hammerstein...

'Joan of Arc' song by Leonard Cohen says it all.

Also I saw a video of 5 WOMEN being beheaded by a drug cartel that made everyone of them admit that either their brother sold dope on their own, or they were married to a 'other than them' drug dealer, or even one who served dinner to 'other than them' drug dealer.

My bones lost all life watching it...BUT it only took probably a minute to die (probably the longest minute of their lives, or maybe once the blood flows there is an euphoria?)

Anyway the US is the HOME OF THE BRAVE!! I HOPE the government takes the initiative to SAVE US!

Of the sixty (60) senior officials of the U.S. Government economic, financial, and monetary institutions, thirty-nine (39) are Jews or have Jewish spouses.

This is a numerical representation of 65%. Jews are approximately 2% of the U.S. population.*

Therefore Jews are over-represented among the senior officials of the U.S. Government economic, financial, and monetary institutions by a factor of 32.5 times (3,250 percent).

URGENT APPEAL

Dear Real Jew News Family,

Someone recently commented on a previous posting:

"When I watch your Videos my spirit shines ever brightly and I thank God for you. I can see that where you live is filled with beauty as much as there is beauty within you."

Please know that I am soon to be tossed out into the street. Thus, the "beauty of where I live" as seen in my Videos will be no more.

Is there anyone who can help me (in any way) to *remain* in the "beauty of where I live?"

Is there a generous person who can help me (in any way, shape, or form), live in peace with my own roof over my head?

If so, I will be very grateful.

*** I am in this battle for the long haul. I simply need a more permanent living situation. ***

There are many options that can be explored. I hope to hear from some sympathetic person soon.

How do you know the events in Paris were a false flag?

Well interesting enough, the local news 2 days later were talking about how France was discussing legislation to pass a bill similar to the Patriot Act!

I'm curious +BN,

Do you seriously believe the historical church would be any better for the USA than the current system? And if so how?

From my point of view, the church will encourage multiculturalism and be just as parasitic financially as the current regime.

Please explain why or how Christian organized religion would be less corruptible than any other group of people.

Let me clarify, wouldn't we be better off with a non religious, egalitarian system?

Or just a system that forces governments to live within the means of the country's economic output?

A system that also encouraged family-friendly values, not debt? I would really like an honest, genuine response.

Re Immigration.

If say or do nothing about this criminal third world invasion, you are part of the problem.

Keep in contact with your elected reps; consistently go to the polls and vote against the true enemy of the White race: the Democratic Party; do your gardening, don't eat out and do your own laundry; go to numbersusa and join other organizations that advocate a reduction in immigration.

Make no mistake, this third world assault is a form of genocide against America's Whites.

Another seed of change would be to throttle the likes of George Soros.

This Hungarian Jew funds one "revolution" after another right out of "The Protocols." Now he is at it here in Jewmerica.

Rather than being outraged and daring to criticize a Jew for having done this, the Christian

Zionist idolators of Jewry will ignore it or pretend that it was a benevolent act of charity by a Jewish "philanthropist."

"George Soros funds Ferguson protests, hopes to spur civil action"

Whose DNA is Soros' boy Zimmerman describing here?

"Our DNA includes a belief that having people participate in government is indispensable to living in a more just, inclusive, democratic society," said Kenneth Zimmerman, director of Mr. Soros' Open Society Foundations' U.S. programs."

Well it looks like the Jews are paying off big time to the Obama thugs.

Eric Holder will get 77 million from a Wall Street bank when he leaves the Justice Dept.

Good work, Eric.

We have the BEST tool at our disposal, the Christian Church.

Instead of "Christians United for Israel" let's unite Christians for the USA! We should have at least a voting block, where we agree on who to vote for.

Another thought, I'm sure there ALOT of Jews turned Christian, send yourselves to Israel, immigrate.

We have to be willing to die for the cause without violence, although look it up Peter was packin'! Jesus told his followers to pick up the sword! Jesus was truly a revolutionary.

Hal Lindsey might be persuaded, a couple episodes of his ago he even said he thought the

Anti-Christ may come out of the Fed Reserve.

Referring to the cover of the issue of Time magazine seen above, does that \$16 trillion refer to the GNP of the U.S. economy?

If so, FYI, America's annual GNP is less than the national debt, which stands at \$18.1 trillion and continuously climbing higher: <http://www.usadebtclock.com/>

Baffles me that so few are alarmed regarding the staggering national debt.

From now on, we will refer to George Soros as his REAL BIRTH NAME — Jorgi Schwartz!

This is his name and who he is. I have friends who actually think he is Greek because of the "Soros".
